Dear Mr Daugherty

RE: Your complaint to University of Portsmouth

Thank you for your letter dated 27th June 2006, further to your telephone conversation with Lynsey Hayward, Education and Representation Officer on 26th June 2006.

The Students' Union involvement with the University of Portsmouth complaints procedure is as a support mechanism for the student making the complaint. We can only offer advice, counselling and attend meetings at the University with the student.

The letter you received from Mike Bateman, Pro Vice Chancellor on 17th March 2005 advises you that the University of Portsmouth are no longer prepared to enter into any further correspondence with you regarding this matter. Unfortunately since you have not gone through the University of Portsmouth complaints procedure the Students' Union cannot be of any further assistance.

Yours sincerely

pp: Rena Ellis
